Science whole school Curriculum map based on the N.C. and EYFS Curriculum

In EYFS, Science is covered in the 'Understanding the World' area of the EYFS Curriculum. It is introduced indirectly through activities that encourage every child to explore, problem solve, observe, predict, think, make decisions and talk about the world around them.

In KS1 and KS2, we use the National Curriculum for science as structure. This gives our teachers more freedom to create exciting and engaging lessons around each topic.

	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
EYFS	**Cycle One 2021-2022**					
	Into the woods		All about me		In the garden
