St Luke's Cultural Capital and Enrichment opportunities

Overall:

Early years *we create opportunities to promote the awe and wonder in which we live through the 7 areas of learning.*

N to Y6 *all attend places of worship to enhance RE e.g. Church, Mosque, Mandir, Temple and Synagogue*

Y1 to Y6*: We have weekly Dream Catcher assemblies where Y6 interview people from different professions and ask them how they got to where they are today and ask them about their jobs. This includes members of our community and past pupils as well as people London based.*

Y2-Y6: *Every child is a Young Leader and in one of 16 groups run by subject leaders who meet the children once a month- Digital Leaders, PSHE-pupil well-being & school council group, Science & Eco warriors, Voice of Vision & RE leaders, Premises team, Head boy, girls & prefects, Young Philosophers, PE leaders, English leaders, Art & DT leaders, Performing Arts & Music leaders, Spanish & MFL leaders, Travel Ambassadors, History leaders, Geography leaders and Maths leaders.*

Termly St Luke's has got talent show ***open to all.***

Choir and ensemble group *meet every week with our music specialist. They perform at Moorfields Eye Hospital every year*

Y1-Y6*: Annual visit to the National Gallery to study one painting from a cross-curricular perspective. 2023:* 'Surprised' by Henri Rousseau 1891

Y1-Y6*: Go to the cinema once a year and to see a pantomime.*

Y1-Y6*: Go to St Clements Church, Wesley's Chapel and St Giles Cripplegate every term with parents to mark the liturgical year.*

Some children from Y1 to Y6 *have a reading partner who works for Slaughter & May Law Firm who come every week*

Children in Y5 and Y6 *take it in turn to be playground angels and play with EY & KS1 children.*

Y5 & Y6 *also earn citizen points for a bronze, silver & gold award. Once they have achieved their gold award, they become prefects in Y6.*

Y6 c*hildren are invited to put themselves forward to be head boy or girl. The democratic process involves them writing a manifesto & presenting this to the whole school. Children & staff all vote for their favoured candidate in the voting room.*

We partner The St Luke's Centre and have bespoke projects with them e.g. the inter-generational musical project led by the LSO last year, Y6 sing Christmas carols to the elderly. This year we are doing paintings & art work around Summer which will be exhibited in the centre.

We have an International day, Safer Internet Day, World Book Day & take part in Red Nose Day.

R to Y6 *takes part in a 'Deanery Enrichment Day' whereby they link with every class in the 7 local COE Schools for a common theme.*

Y3-Y6: Girls and boys *are welcome to be in the mixed football team & enter the league with other schools as well as play friendly matches*

Y1-Y6 & their families *will take part in a Physics Family Funfair run by the Institute of Physics who will also put on workshops in summer term*

Snapshot of some aspects of the curriculum enhanced by cultural capital & enrichment opportunities - see curriculum map for whole curriculum coverage:	***Actual cultural capital & enrichment opportunities:***

N

	Autumn	Spring	Summer 1
Cycle 1	Into the Woods	All about me	In the Garden
